

## Friend of Pendleside Volunteer

Pendleside Hospice is one of the principal providers of palliative and end of life care services to adults in Burnley and Pendle and is held in deep affection by the local community. All our care is free of charge to our patients and their families and carers but, of course, it isn't free to provide and most of it is funded through the generosity of the local community in which we serve. In the current year, it will cost over £5.5 million to run Pendleside Hospice, of which over £4.7 million will need to be raised through voluntary donations.

### THE ROLE OF FRIEND OF PENDLESIDE VOLUNTEER

Our Friends of Pendleside team of volunteers are invaluable to the success of our many fundraising events that we organise throughout the year. Whether its running tombola stalls, bag packing at Christmas, marshalling races, selling raffle tickets or helping us prepare and set up, the list of things to do is endless. If you are up for doing anything to help out, would enjoy being part of organising a great event and having fun at the same time, we would love to have you as part of our team.

### THE PERFECT PERSON WILL ...

There are many benefits to volunteering including building new friendships, social events, gaining work experience, providing much needed support and of course contributing to an amazing cause! Volunteering is rewarding, enjoyable and a worthwhile way to spend your free time.
