

Retail Support Driver/Drivers Mate

Pendleside Hospice is one of the principal providers of palliative and end of life care services to adults in Burnley and Pendle and is held in deep affection by the local community. All our care is free of charge to our patients and their families and carers but, of course, it isn't free to provide and most of it is funded through the generosity of the local community in which we serve. In the current year, it will cost over £5.5 million to run Pendleside Hospice, of which over £4.7 million will need to be raised through voluntary donations.

THE ROLE OF A RETAIL SUPPORT DRIVER

Using the hospice furniture van, you will support our network of hospice shops in the Burnley and Pendle area to deliver and collect furniture to customers, support the shops with collections and assist with the disposal of unwanted items.

Time commitment is variable and can fit in with you. Any time you can give is greatly appreciated.

THE PERFECT PERSON WILL ...

There are many benefits to volunteering including building new friendships, social events, gaining work experience, providing much needed support and of course contributing to an amazing cause! Volunteering is rewarding, enjoyable and a worthwhile way to spend your free time.
